## **Jackson facility leased by specialty product installation company**

**FAIRFIELD, NJ (August 8, 2019)** – A 20,000-square-foot space within 55 Progress Place in Jackson has been leased by H2 LLC, in a transaction managed by [Sheldon Gross Realty](#) Senior Vice President Glenn Jaffe. H2 LLC sells and installs specialty products – from fireplaces and closets, to mailboxes, bathrooms, and more – both in commercial and residential locations.

Prior to the transaction, H2 LLC operated in New Jersey from two separate facilities in Wall and Lakewood. The new location in Jackson has now enabled the company to consolidate its Garden State functions under one roof.

“It’s terrific how this whole process worked out for H2 LLC,” Jaffe says. “They were dealing with the inconvenience of having multiple locations in this state, and we were able to find them a single space that addresses all their needs – and it’s right in the same area. I’m confident 55 Progress Place is the ideal location for them.”

Previously occupied by a custom display company, H2 LLC’s new space is conveniently located along Route 195, just a short distance from both the Garden State Parkway and New Jersey Turnpike.
